

Overview of Network Resources

Available Resources

- **Computer backup services**
- **Network Storage (N:)**
- **Printers**

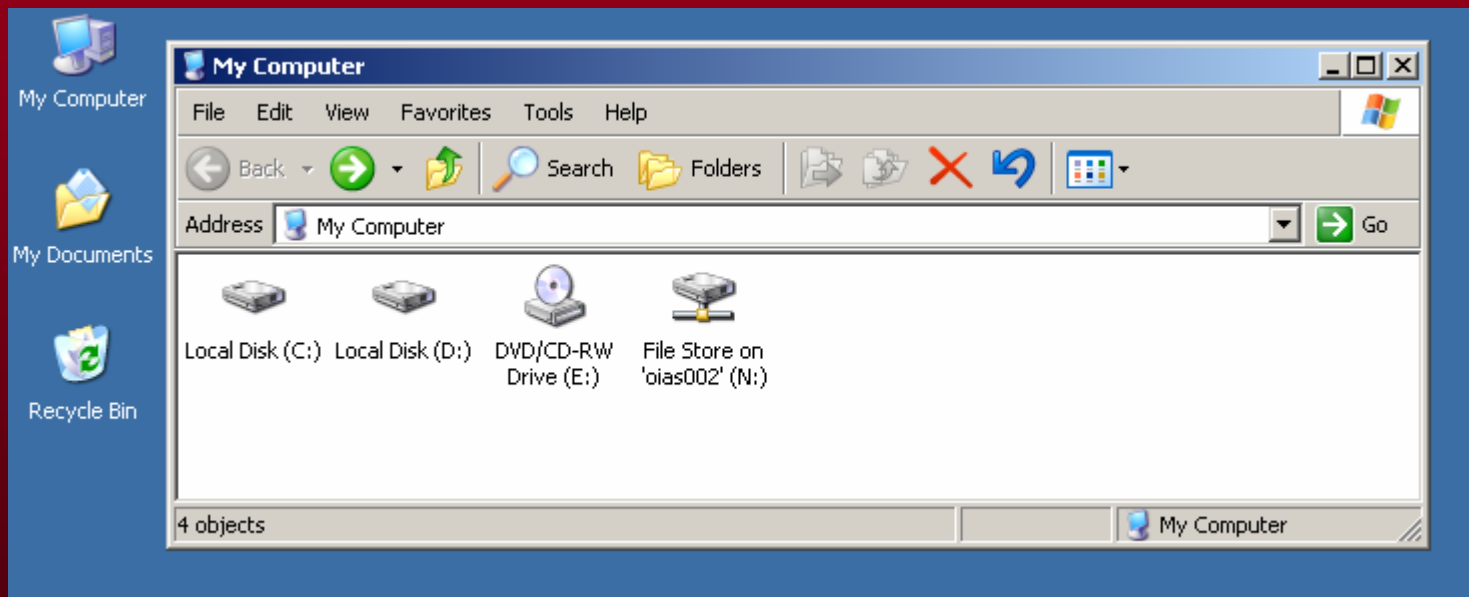

Computer Backup Services

- Who gets backed up?
- What gets backed up?
- When?
- Where?
- Why?
- What is the airspeed velocity of an unladen swallow?

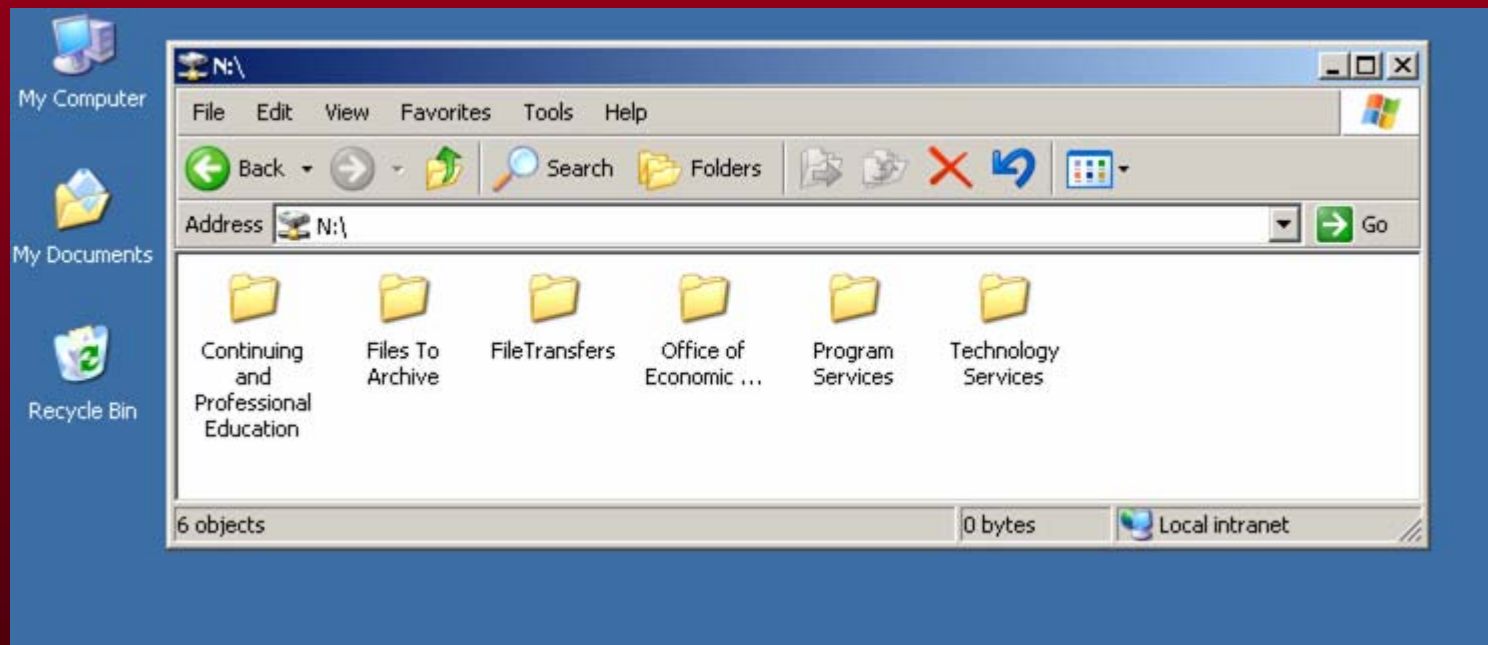

**If you quote a
Monty Python movie or the
Simpsons,
you might be a Geek**

Network Storage

■ File Store on 'oias002' (N:)

Network Storage

Network Storage

- Department Folders
- Files to Archive
- N:\FileTransfers and <ftp://198.82.173.29/filetransfers/>

Wireless

- **Where is it available?**
- **How do you get access?**

Printers

- **Network Printers**

- **Regular**
- **Color**
- **Copier**

- **Why no personal Printers?**

- **Lower Total Cost of Ownership**
- **Better/faster printers for all**
- **Cannot afford to replace all on a regular basis**
